Explanation of Responses:

- These shares are held through four separate trusts. Each trust benefits one of the reporting person's four adult children. The reporting person disclaims beneficial ownership of these securities except to the extent of his pecuniary interest therein, and this report shall not be deemed an admission of beneficial ownership of these shares for purposes of Section 16 or any other purpose.
- The reporting person has not acquired or disposed of any directly held shares of common stock since his last Form 4 was filed on March 7, 2013. The Form 4 filed by the reporting person on March 7, 2013, however, reported a different number of directly held shares because (i) such number (on the prior Form 4) included shares held indirectly by the reporting person through a 401(k), and (ii) on the prior Form 4, the number of shares held directly was tabulated incorrectly.
- These shares are held in trust for the benefit of Nancy Koss, the mother of the reporting person. The reporting person disclaims beneficial ownership of these securities except to the extent of his pecuniary interest therein, and this report shall not be deemed an admission of beneficial ownership of these securities for purpose of Section 16 or any other purpose.
- This option vests in four equal annual installments beginning on 07/24/2014.
