"The decline in sales was all driven by our export markets," Michael J. Koss, Chairman and CEO, said today. "Declines in sales to European distributors were due to renewed strength in the US dollar, especially against the currencies in Scandinavia and Russia, as well as our distributors reducing their investment in inventory. In addition, an OEM contract for a customer in Asia was completed a year ago. Control of operating costs helped to mitigate the impact of the sales declines."

Koss Corporation markets a complete line of high-fidelity headphones, wireless Bluetooth® speakers, computer headsets, telecommunications headsets, active noise canceling headphones, wireless headphones, and compact disc recordings of American Symphony Orchestras on the Koss Classics® label.
